

It was great to be able to host the 40<sup>th</sup> annual Fall Color Run this year, after having to cancel the event last year.

We had 51 cars leave from the Bungalow after lunch on Friday in beautiful weather. Stopping again at the Pickle Factory for a break.

Friday night 160 people enjoyed a taco and appetizer buffet and closed the evening down dancing to the music from the Double Take band, a favorite for many years now. Of course, we didn't miss doing the reindeer dance.

Saturday morning, we had 104 corvettes leave the park escorted by Sgt. Tim Berg and the Onalaska Park reserves.

We drove thru some fog for a few miles, but the rest of the day was "top down" weather!

170 people enjoyed lunch at the Phoenix Center in Richland Center, Wisconsin. Plenty of good food and space to park.

Following a nice cruise back to the hotel, we had a delicious and generously plated dinner for 126 people.

The Spina Bifida silent auction, raffle ticket sales, and Dave's game boards raised \$2,936 for sending kids to camp.

Our DJ closed the evening down with more great music.

Brunch on Sunday at the Cedar Creek Country Club is always amazing.

The buffet included prime rib, ham, omelets, fruit, pastries, many side dishes, Bloody Mary's or Screwdriver's and more desserts than we could put a dent in.

Overall, we made a profit of \$998.10 (the meals are at our cost to the attendees.)

This will be our last year as co-chairs of the event. Steve & Mary Jane Heasley have stepped up to be our new chairs for 2022.

We know Steve has the passion to do a great job with some new ideas.

We want to thank all the people who helped the event be a success year after year:

Mike & Evon Miller, Russ & Pat Mittelsteadt, Steve Redland & Susan Schultz all run the routes the day before the group does, to ensure that the roads are still in good shape. Parking at lunch and taking lunch tickets. Mike & Evon for the trivia questions.

Ron Weeks has been essential with updating the mailing lists, coordinating the mailing with the printer, financial recaps, Car Trivia update, and printing the registration envelope labels. Both Ron & Gloria have helped with assembling the registration envelopes and information each year.

And **a huge thank you** to everyone who donated prizes for the silent auction and raffle ticket drawings, helped with parking, counting cars, taking tickets, paying the bills, handing out instructions and signing waivers.

We couldn't have done it without all your help and support!

Hope to see you all next year: October 7, 8 & 9, 2022.
