

Suburban Corvettes of Minnesota - Fall Color Run '24

Our 43rd annual Fall Color Run Charity Event was held on the weekend of October 11th -13th in LaCrosse WI. The weather was warm for Fall and we varied our routes through Rural Wisconsin; risking speeding tickets while testing the limits of our Vettes.

On Friday the 11th, some of the group met in Bayport MN on the banks of the St Croix River and vette-avanned down to LaCrosse, WI stopping at the Pickle Factory in Pepin WI, to surprise the staff as we forgot to tell them we were coming.

Moving onto the Stoney Creek Hotel in Onalaska WI, we greeted the rest of our group; dined and danced with our DJ from KC Entertainment, who started the set with Prince's *Little Red Corvette*.

Saturday the 12th, we assembled at Rowe Park and were escorted out of town by the Onalaska police, reached speeds of 10 mph. We drove 95 miles through the Wisconsin countryside to Richland Center and lunched at the Phoenix Center. Our return trip was only 71 miles, ending at Features Bar to wet our whistles.

Dinner was at the Cedar Creek Golf Course. Later we held a silent auction and raffle for our club charity. A DJ from Music in Motion provided music and entertainment late into the night.

Sunday morning October 13th, we met again at Cedar Creek Golf course for Brunch and Corvette Trivia, awarding an assortment of nonsense prizes. Fueled by Brunch we hit the roads for home.

The 2025 event will be October 10th to 12th and reservations at Stoney Creek. Onalaska can be made using [2025SuburbanC5orvette](#).

Thanks to all who helped with FCR '24.
